

My dear Mr. Ant

You will probably wonder who this is from, though I hope you can not entirely forgotten how my letters flock. For a long time I have been intending to write to you and now I thought you might be interested to hear of my plans for the summer. Probably you have heard that Game goes abroad with Beloe, in Mrs. Cuttlergan's party in June. I had hoped to visit Venezuela this summer but now fear that will hardly be possible. Though I do expect to go west the first of June to visit grandma, but I will have a

Very short time as it is.  
& will be in Chicago a day and  
make it might be and  
good fortune to see you there.  
Don't you go to Chicago  
on the first of the month  
instead of the second Wednesday  
as you used to.  
& make I might see you all  
long, I expect Mrs. West and  
the children are home by this  
time.

I am really terribly disappointed  
as I do not like to think of  
my not seeing Escanaba for  
so long.

I have been away four years  
now & think I have finished  
my last year of school nearly

breaks my heart.  
As you see I am here at the  
Holland, spending Saturday  
and Monday as I usually do.  
It takes away the monotony of  
the regular routine of boarding-  
school. Easter I spent in  
Washington and of course  
enjoyed the sights as well as  
a good time.

The girl on the St. Louis the  
Fowleville of home and will  
return in September and will be  
on the go all the time, as we  
start in London and end at  
Capri.

Will be in Japan about a week  
or ten days later George and  
Dorothy will come here to
